How To Install & Activate the Dynamic Discounts for WooCommerce

Getting Started · https://rextheme.com/docs/how-to-install-activate-the-dynamic-discount-for-woocommerce/

Empower your WooCommerce store with ease: Unleash dynamic pricing, bulk discounts, cart savings, special offers, and user role-based discounts effortlessly by using the **Dynamic Discounts for WooCommerce** plugin.

Before installing **Dynamic Discounts for WooCommerce** on your site make sure you have **WooCommerce** installed and activated on your site.

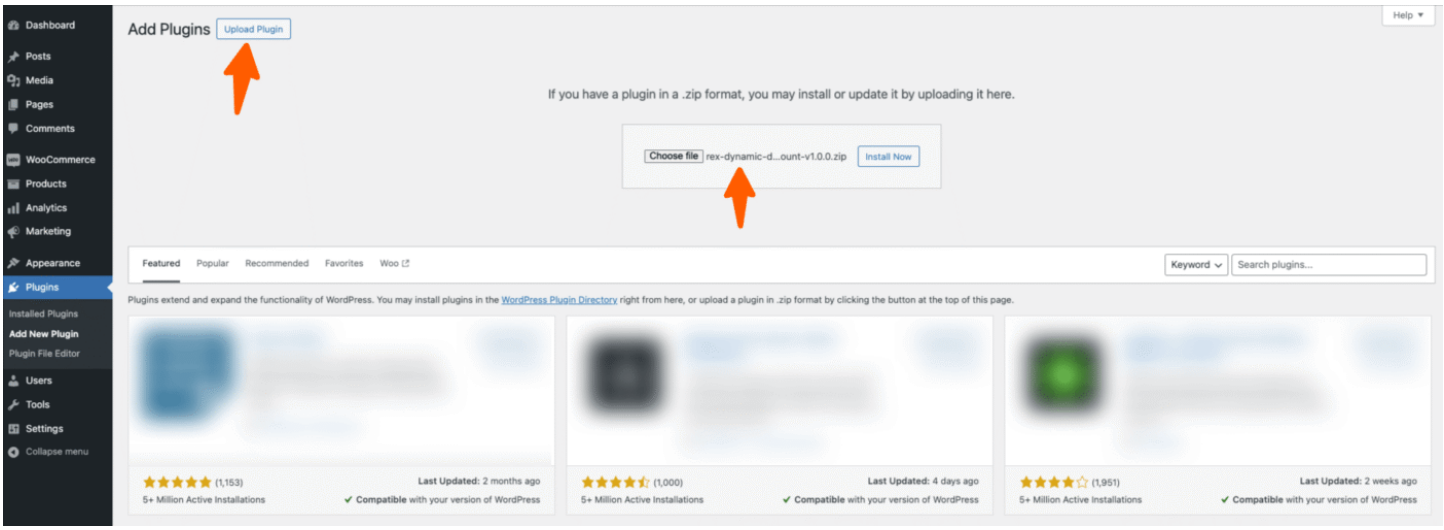
Here's how you can install and activate **Dynamic Discounts for WooCommerce** on your site:

Install & Activate the Dynamic Discounts for WooCommerce

** Please make sure you have WooCommerce installed and activated on your site.

1. Once you have the zip file of the Pro plugin and the license key copied, log in to your WordPress site and go to **Plugins > Add New**.

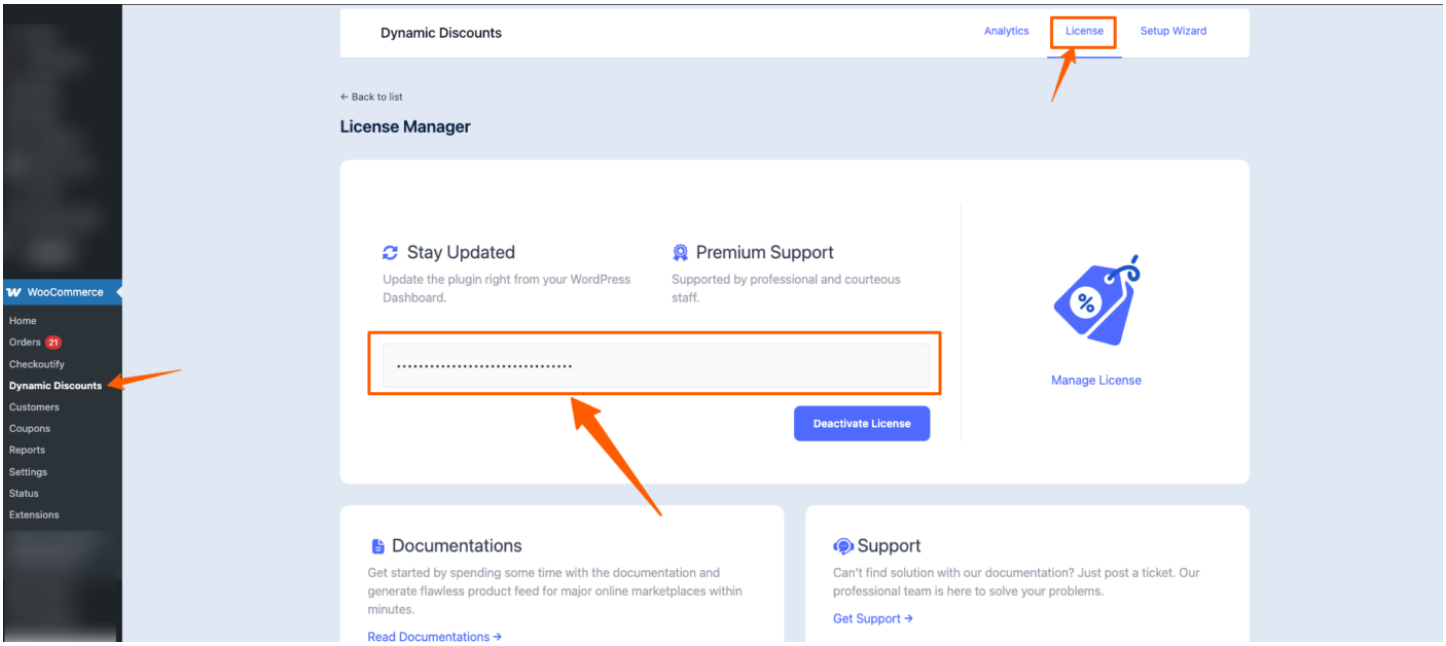
2. Then, on top, click on **Upload Plugin** and upload the zip file of the **Dynamic Discounts for WooCommerce** that you downloaded earlier.



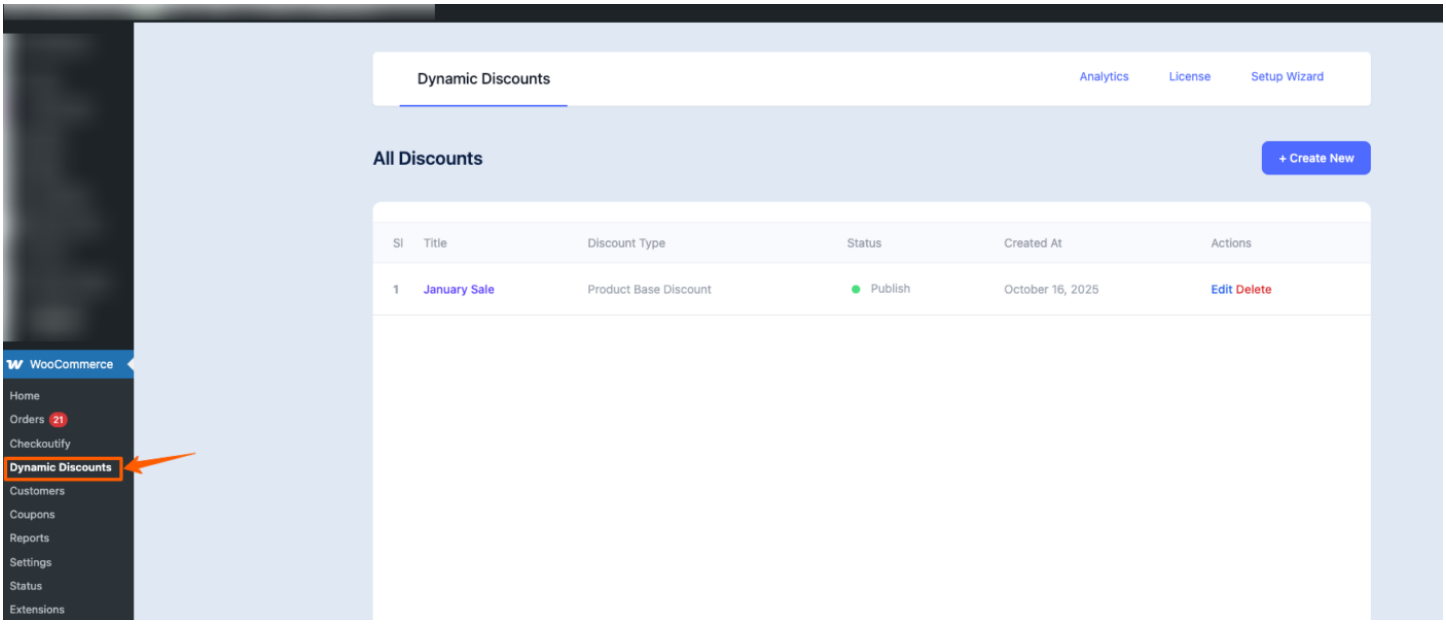
3. Then click on Install and then Activate it.

Activate The License Key For Dynamic Discounts for WooCommerce

1. Once the plugin is activated hover on the WooCommerce and click on the Dynamic Discounts. Click on the License tab. Enter the license and press the Activate License button. Once activated, you will get a confirmation.



2. Once **Dynamic Discounts for WooCommerce** is activated, hover on WooCommerce in your WP dashboard and click on the **Dynamic Discounts for WooCommerce** tab and it will show the discount List.



That's it the plugin is now activated.
